## House Renovations Continue

Renovations to the house have continued during the school year and, in addition to renovating the basement party room with new windows, a new ceiling and repairing of walls, we undertook an extensive upgrade of our heating system. New traps and vents were installed throughout the house along with an upgrade to the boiler.

Upcoming projects include refurbishing the bathrooms on the second and third floors and performing maintenance on the exterior of the house.

## Alumni Dues Donations up 20%!

Thank you to all brothers who paid their dues for the year 2000. We had a 20% increase in the number of brothers paying dues over 1999. Dues are very important, as they go toward paying for *Psidelights*, our new web page and the promotion of upcoming alumni events — such as the golf outing and alumni get-togethers.

## Our Heritage Continues

As you all know, Kappa Alpha fraternity has occupied the Skull House since August 2000. Hard to believe that their first year is almost completed.

Now the good news! Your appointed representatives of the Alumni Corporation and Alumni Association have been busy preparing a series of upcoming events. Our treasurer, Chris Genovese, reports that we are moving toward a sound financial position. A number of Brothers have notified me that they have seen both the interior and exterior of the House and have been pleased with its appearance.

Henry Keller reports he will rally the troops for a war years reunion in June 2002. This will include all the brothers that occupied the house prior to 1950. This group is still strong and committed to continuing our heritage.

Our arrangement with Kappa Alpha is that with advance notification we may use the house for special occasions. Henry will book rooms at the Nittany Lion Inn and a catered dinner at the house. Other groups of classmates continue to meet for tailgate parties at all the home football games.

As the next two years unfold, we will be inviting you to attend regional meetings, participate in golf outings, come back for homecomings, volunteer for a phone-a-thon, continue to pay your annual dues — and, most importantly, keep foremost in your minds — “OUR HERITAGE CONTINUES.”

Fraternally,  
Otto Grupp '51

### Capital Campaign Thank You

As the capital campaign comes to a close, we want to thank all the brothers who gave to the campaign in 1999-2000. Through your generous donations we purchased two red leather chairs and chandeliers for the clubroom and foyer. Special thanks go to Otto Grupp '51, Thomas Beck '42, Harold Muncaster '34, Chet Buckenmaier '59, Robert Jameson '42, Kevin Olsavsky '86, Michael Rycheck '87, Chris Genovese '87 and Steve Capezzuti '94.

### 2001 Alumni Dues Phone-a-Thon

To continue to increase the number of brothers paying their dues, we will be conducting a dues phone-a-thon this summer. If interested in helping with the phone-a-thon, please contact Michael Rycheck '87 at [mrycheck@aol.com](mailto:mrycheck@aol.com) or by phone at 718-625-6436.

#### Needed — Boys of the Bone Living in the Burgh

We are looking for a few good alumni to help organize an alumni get-together in the Burgh. Don't let those New Yorkers and Philadelphians have all the fun! ## Skull Lake Dries Up

We are pleased to announce that Skull Lake has finally dried up. Yes, the lake that formed in the basement party room after each rain over the last 20 years — and became a pledge duty to sweep and dry up — is no more. With the installation of new windows and repairs to the walls of the party room, the water no longer seeps in. In addition, after reinforcing the dining room floor from beneath, we are now installing a new ceiling for the party room.
